

# Awfaz Global Kindergarten 2018-2019

## Welcome Letter - KG2

Dear Parents,

It is with great pleasure that we welcome your child to Awfaz Global Kindergarten and to an exciting school year ahead.

KG2 class teachers will cover all the areas of learning in English and Mrs. Maisoon will be responsible for the Arabic and Islamic Studies lessons. We are excited to get to know all the children and will work extremely hard to ensure that all our students are provided with quality learning opportunities which will enable them to achieve well and reach their full potential. We also have high expectations of all our students regarding both behaviour and academic achievement.

Our curriculum is very busy and is full of interesting and fun activities for the upcoming year. In order to enable a smooth transition into school, the emphasis for the following two weeks will be daily classroom routines and procedures and helping the children to adapt to their new classroom and make new friends.

Kindly take note of the following:

### School timing:

School timing for KG 2 is from 7:00 to 12:30, and our lessons starts at 7: 30 am. Please make sure that your child is brought to school on time.

### Clothing:

Please send your child wearing his/her proper uniform to school. A labeled extra change of clothes is also required to be kept in class in case when needed. Please place these in a clear plastic bag and send them to school.

### Lunch box:

We like to educate the children about the importance of nutrition and healthy eating, so please make sure that your child's lunchbox contains a healthy snack such as a sandwich, some fruits, juice/milk and a bottle of water. **Chips, fried food, nuts, candies or chocolate coated food are not allowed in school.**

### Communication:

Maintaining **effective communication** between parents and teachers is the key to student success. Therefore, we would like to remind you that, we are using the Class Dojo application for communication, between parents and teachers. This is a phone app which help teachers and

parents share wonderful class moments. Also where instant, individual messages can be exchanged. More details will be given to you as soon as possible.

### **Homework:**

In order to reinforce what we are learning in school, homework will be sent every Monday in the folder with your child. The completed homework must be returned by Thursday the latest. Homework will only be sent after the second week of school.

*Please make sure that the file is always placed in your child's bag when he/she comes to school in the morning.*

### **Newsletter**

A weekly newsletter will be up loaded in the school website. This is to give you an idea about the following week's lessons and upcoming events.

### **Photos:**

During the course of the year we wish to take photos of your child during classroom activities. These will be shared with you via Class Dojo and in the school website. It is not always possible to take individual photos so most of the photos will be taken whilst the children are involved in group activities. If you do not want your child to be photographed please let us know.

We are looking forward to a happy and productive school year and hope that we can work together to make this a fun filled year of learning for your child. If you have any questions or suggestions don't hesitate to contact us. Send a message via class Dojo and we promise to get to you as soon as possible. Thank you and kind regards,
