

Dear Parents,

We are delighted to welcome you to Awfaz Global Kindergarten. Feel sure that your child will be happy here. We aim to provide a caring, happy and stimulating environment for all children.

Our school values all its children equally and we will strive to help them to build on their strengths and overcome their limitations.

It is a great privilege and an enormous responsibility working with your child. We recognize this and will work together with you to give the children the very best possible experience. KG 1 Class teachers will cover all the areas of learning in English and Mrs Noha will be responsible for the Arabic and Islamic studies lessons.

Please take note of the following:

School timing:

School timing for KG 1 is from 7.00 am to 12.30 pm and our lessons starts at 7.30 am. Please make sure that your child is brought to school on time.

Lunch Boxes:

We would like to ask that you send your child with adequate snacks, and a labeled water bottle every day. We encourage children to eat healthy food as a part of their education. Candies, chips, chocolates, nuts and fried foods are not allowed in school.

Uniform/ Clothing:

Children must be sent to school in the proper school uniform. Please send your child in a PE uniform on PE Days.

Labelled extra clothes are also required to be kept in class in case when needed.

Photos:

During the course of the year we wish to take photos of your child during classroom activities. It is not always possible to take individual photos so most of the photos will be taken whilst the children are involved in group activities. If you do not want your child to be photographed please let us know.

Also this is where instant individual messages can be exchanged. More details will be given to you as soon as possible.
